Re: Notice of Modification of Proposed Regulations Title 13, Article 6.1, Section 440.04, Occupational Licensing and Disciplinary Guidelines

In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed adoption of regulations amending the Occupational Licensing and Disciplinary Guidelines. The regulatory language as originally proposed was published in the California Regulatory Notice Register on February 16, 2007, and provided to interested persons for comment.

The department received one written comment during the 45-day comment period. Modifications to the handbook incorporated by reference in the original proposed text of the regulations were made in response to this comment. The modifications were necessary for the purpose of clarity and properly reflect current law.

A 15-day Notice of Modification was published November 2, 2007. The proposed modifications affect the document incorporated by reference, the Occupational Licensing and Disciplinary Guidelines (Rev. 06/2007) and the document revision date in the modified proposed text. No comments were received.

A further review of the regulatory package required modifications that affect the handbook incorporated by reference, the Occupational Licensing and Disciplinary Guidelines (Rev. 11/2007) and the document revision date in the modified proposed text. A second 15-day Notice of Modification was published November 26, 2007 to allow public comment on the modifications. No comments were received.

The purposed of this notice is to fulfill the requirement that all commenters from the original 45-day comment period are notified of the modifications made in the first and second 15-day Notice of Modification.

The language formatting modifications are clearly illustrated by the following methods:

- (1) The language originally proposed to be added to the text is single underlined.
- (2) ~~The language originally proposed to be deleted from the text is struck through.~~
- (3) The language proposed to be added to the original text and not originally identified in the proposed language is double underlined.
- (4) ~~The language now proposed to be deleted which was originally proposed to be added is double struck through.~~

Any interested person may submit written comments regarding the new changes to the proposed text to departmental representative, Erik Meyer by mail at: Department of Motor Vehicles, Regulations Unit C-244, Post Office Box 932382, Sacramento, California 94232-3820 or by e-mail at [emeyer@dmv.ca.gov](mailto:emeyer@dmv.ca.gov).
